

## *Stained Glass Bear Project*

### **Supplies Needed:**

- Wax Paper (or contact paper, or any semi-sheer paper)
- Glue/Glue Stick
- Scissors
- Tissue Paper (any color you like)
- Sparkles
- Button(s)

### **Step 1**

- Trace the outline of a bear (or any other animal or object you would like) on the tissue paper. →

### **Step 2**

- Cut out the drawn shape ↓

### **Step 3**

- Cut two pieces of wax paper that will cover the size of your cut object →

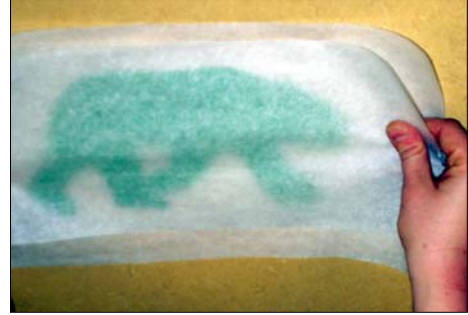

### **Step 4**

- Glue both sides of the cut tissue-paper cut-out ↓

### Step 5

- Place the tissue paper cut out between the two sheets of wax paper (wax side out) →

### Step 6

- Press firmly for a few moments ↓

### Step 7

- Cut the wax paper edges so they match the tissue paper object →

### Step 8

- The fun part – with glue, decorate your cut out with sparkles, beads, buttons, yarn, or anything that comes to mind. Hang it up in a sunlit area and watch it glow. ↓

Alternatives: Use colored heavy weight see through film paper, make cut out sections in the wax or contact paper so that the film paper will show through and put together and decorate as above.
